The pools are made of a fibreglass laminate which is an extremely durable material, **with a long lifetime.**

### **Warranty**

- Colour - 2 years
- Osmosis - 5 years
- Construction - 15 years

# ADVANTAGES

- A special TOV approved, gel-coat creates the glossy surface layer and is particularly resistant to a long term influence of chloride, as well as UV radiation and changes in temperature.
- The construction of each pool is additionally strengthened with metal, which gives the pool a stiff shell.
- The pool is produced with an extra polyurethane foam on the outside of the pool, which insulates and prevents heat loss.
- All pools are equipped with an extra layer of honeycomb insulation for added protection underneath the pool.
- All pools are manufactured & delivered by our European manufacturer.
