- Easy construction preparation
- Easy installation
- [Production quality](#)

Specifications

| Length | Width | Depth |
|--------|--------|--------|
| 8.20 m | 3.50 m | 1.50 m |

High Quality Surface and Thermal Insulation

Inner surface of the pool is coated with a special Aqua-Guard paint. It provides an elegant design, strong protection against UV radiation and strong protection against chemical action. The External surface consists of a layer of hardened polyurethane foam, providing excellent thermal insulation and high strength.
