- High quality surface and thermal insulation
- Easy construction preparation
- Easy installation
- [Production quality](#)

## Specifications

Length	Width	Depth
7.50 m	3.50 m	1.40 m

### **High Quality Surface and Thermal Insulation**

Inner surface of the pool is coated with a special Aqua-Guard paint. It provides an elegant design, strong protection against UV radiation and strong protection against chemical action. The External surface consists of a layer of hardened polyurethane foam, providing excellent thermal insulation and high strength.
